# YOUR WEEKLY HOROSCOPE

FEBRUARY 8TH – FEBRUARY 14TH 2021

## ARIES RISING

Be careful of what you say this week, Aries, and how quickly you make your decisions. Your ruler, Mars, is being squared by communicative Mercury, which can lead to all kinds of verbal tensions. Slow down, and be kind – be the bigger person.

Your ruler, Venus, is connecting with both Jupiter and Mercury this week, which brings all kinds of opportunity! This is most especially felt at work, where your relationships will get you to where you really want to be! It's your luckiest week, Taurus.

## TAURUS RISING

## GEMINI RISING

Your ruler, Mercury, is up to his usual tricks this week! On one hand, he's joining with generous Jupiter to bring you brilliant insights a boost your philosophies, ideals and anything educational in your life. On the other hand, he's also squaring Mars and reflecting some tension.

The New Moon this week opens up possibilities for you when it comes to money, finances and sharing, Cancer. Many of you may get the support you need, in the form of resources over the next few months. Be open to receiving!

## CANCER RISING

## LEO RISING

You're in a very chatty mood, especially when it comes to your relationships, Leo. For once, you are listening closely to what your partner has to say, perhaps even too much so. Don't get too lost in your lover, but also enjoy the pleasure that's available this week.

### **VIRGO RISING**

You may get a little snappy this week, Virgo, especially when it comes to work and daily projects. Blame it on Mercury, but be careful not to burn your bridges. You may get plenty of work in the coming week and months, work that you enjoy.

### **LIBRA RISING**

Your ruler, Venus, is loving life this week, and so are you! In fact, love is all that's on your mind, and many of you are falling – hard – whether it's all over again or for the first time in a while. Make the most of the week, and enjoy every fun, pleasurable moment!

### **SCORPIO RISING**

You may start the week off having an argument with a family member or lover, especially over a home or domestic situation, Scorpio. It will sort itself out, and be smoothed over, with enough love and compassion. Just remember to forgive and forget, Scorpio.

### **SAGITTARIUS RISING**

It's a bounteous week for good ideas Sagittarius! You're brimming with them and may even feel rather overwhelmed by all the things you have on your plate. Try and do things one by one, and don't overwhelm yourself. Enjoy excellent communication this week!

### **CAPRICORN RISING**

Money, money, honey! This week is all about that for you, Capricorn! It's time to make some good investments, but also to let loose and just enjoy yourself! In fact, many of you may be nursing quite a hangover in the week that follows from all the unaccustomed indulgence!

## AQUARIUS RISING

This is totally your week, Aquarius, so go ahead and own it! Love, money, confidence it's all yours. The New Moon in your sign also lets doors swing open that may have never opened before in the next few months.

The inner work feels joyful this week, Pisces. You're learning about yourself in the best of ways, and shedding old skin. The New Moon is all about spiritual opportunities and the chance to start again on a deep level. You're travelling far, without moving a muscle.

## PISCES RISING
